

Intention for a private placement of VGP shares

Published: Thursday, 30 March 2017 08:52

VGP NV (“VGP”) has been informed that a private placement of VGP shares belonging to VM Invest NV, will take place today. The shares will be placed with institutional investors by KBC Securities NV.

As a result, the trading in the VGP shares on Euronext Brussels will therefore be temporarily suspended today until the publication of the results of the private placement via a press release.
