

VGP – industriální stavby s.r.o., as the operator of these websites, is responsible for all information published on the websites www.vgpparks.eu and www.vgp.cz.

The following terms and conditions apply for users of the websites www.vgpparks.eu and www.vgp.cz:

VGP – industriální stavby s.r.o. (hereinafter referred to as "the Operator") is operator of the websites www.vgpparks.eu and www.vgp.cz. These user terms and conditions (hereinafter referred to as "Terms and Conditions") were issued by the Operator in order to familiarise the public with the manner, conditions of use and changes of those websites stated in paragraph 1 of these Terms and Conditions. It is forbidden to interfere in any way with the content and technical aspects of those websites stated in paragraph 1 of these Terms and Conditions without the Operator's approval. Only the Operator shall decide on changes to the aforementioned websites. Only the Operator is entitled to change or add to the Terms and Conditions. The Operator can condition access to certain information contained on the websites stated in paragraph 1 of these Terms and Conditions upon the user's provision of personal information. In such case, the Operator handles such information in accordance with Act No. 101/2000 Coll., on the Protection of Personal Data. The terms and conditions for handling personal data can be found in the footer of this page.

All information and data, including visualisations, published on these websites are of an informational nature only. The Terms and Conditions of use for the websites stated in paragraph 1 of these Terms and Conditions, including all other websites stated in paragraph 1 of these Terms and Conditions, are valid and effective as of the date of their publishing. The date of publishing is 10 April 2012.

Recommended configuration for browsers and computers: The website is fully compatible with all usual types of web browsers in their most recent versions (i.e. with updates installed as of April 2012). The website was tested for Internet Explorer, Mozilla Firefox, Google Chrome, Safari and Opera. For full functionality on the web, it is necessary to have JavaScript support turned on, and Adobe Flash Player is recommended.

Minimal configuration: Internet browser supporting the processing of images, including display of transparency using a so-called alpha channel. The browser must be capable of interpreting content coded in accordance with XHTML 1.0 Strict formatted using CSS level 2.
